Schools must use the funding to make **additional and sustainable** improvements to the quality of Physical Education, Sport and Physical Activity (PESPA) they offer. This means that you should use the Primary PE and Sport Premium to:

- Develop or add to the PESPA activities that your school already offer
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years

Please visit gov.uk for the revised DfE guidance including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend. Under the [Ofsted Schools Inspection Framework](#), inspectors will assess how effectively leaders use the Primary PE and Sport Premium and measure its impact on outcomes for pupils, and how effectively [governors](#) hold them to account for this.

Schools are required to [publish details](#) of how they spend this funding as well as on the impact it has on pupils' PE and sport participation and attainment by the end of the summer term or by **31 July 2019** at the latest.

We recommend regularly updating the table and publishing it on your website throughout the year, as evidence of your ongoing review into how you are using the money to secure maximum, sustainable impact. To see an example of how to complete the table please click [HERE](#).

Support for review and reflection - considering the 5 key indicators from DfE, what development needs are a priority for your setting and your students now and why? Use the space below to reflect on previous spend, identify current need and priorities for the future.

Key achievements to date:	Areas for further improvement and baseline evidence of need:
External coach supporting additional training for teachers Purchase of sports equipment Introduction of sports events i.e. Sports Relief Increased opportunities for competition	Number of new staff – look at areas of need and support with co-tutoring and/or CPD opportunities Widen the range of after-school opportunities available Introduce daily/weekly mile Investigate potential for ‘track’ around school Opportunities for Year 5 girls, to address obesity issues Opportunities for Year 3 boys, to address behaviour issues Top-up swimming Increased competition via schools games (liaise with Deb Bailey – Colmers) Introduction of bikeability

Meeting national curriculum requirements for swimming and water safety	Please complete all of the below:
What percentage of your current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres? N.B. Even though your children may swim in another year please report on their attainment on leaving Primary school.	80%
What percentage of your current Year 6 cohort use a range of strokes effectively [for example, front crawl, backstroke and breaststroke]?	80%
What percentage of your current Year 6 cohort perform safe self-rescue in different water-based situations?	70%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

Action Plan and Budget Tracking
