This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).

Introduction

At Albert Bradbeer PE and sport are important parts of our school curriculum. We believe that the skills, ethos and attitudes involved with sport can help children develop into well-rounded individuals.

We use our Sports Premium funding carefully to ensure we can further meet the five key indicators which are:

- *Increased confidence, knowledge and skills of staff in teaching PE and sport*
- *Engagement of all pupils in regular physical activity*
- *Profile of PE and sport is raised across the school and is a tool for whole school improvement*
- *Broader experience of a range of sports and activities offered to all pupils*
- *Increased participation in competitive sport*

We aim for all of our pupils to experience a wide range of PE and sporting activities both within the school day and as part of our extra-curricular activities.

We hope to see them leave Albert Bradbeer with a love of sport and the skills, attitudes and willingness to carry this forward through their secondary school career and into adulthood.

Albert Bradbeer Sports Premium Allocation:	£19,580.00

Review of last year's spend and key achievements (2023/2024)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Stardust Dance Academy	<p>Children given the opportunity to experience dance and gymnastics delivered by specialists. (Key Indicator 4)</p> <p>Sessions delivered to Reception and Year 1 - staff attended all sessions for their own CPD. (Key Indicator 1)</p>	<p>Staff able to develop significantly more confidence in the teaching of dance and gymnastics, including how to safely use the gym apparatus.</p> <p>Children participating in dance during Reception and Y1 supports the development of their gross motor skills which enables them to better access the PE curriculum at KS 1 and 2</p>
Additional Swimming Sessions (Y5)	<p>Children attend additional sessions outside of the allotted sessions from within the curriculum, increasing participation. (Key Indicators 2 and 4)</p> <p>See swimming data.</p>	<p>A significant proportion of children do not access swimming outside of school. Additional sessions are therefore key to ensure all children have the opportunity to progress sufficiently.</p>
Soccer 2000	<p>Key Indicator 1: Increased confidence, knowledge, and skills of all staff in teaching PE and sport.</p> <p>Key indicator 2: - Engagement of all pupils in regular physical activity</p>	<p>Soccer Coaching 2000 to support ECTs in delivering high quality sessions of PE to classes across the school (range of sports) and to deliver additional sports clubs before and after school.</p>

	<p>Key Indicator 4: - Broader experience of range of sports and activities offered to all pupils outside of the school day</p> <p>Key indicator 5: Increased participation in competitive sport.</p>

Key achievements 2024-2025

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Soccer Coaching 2000 CPD for ECTs Soccer Coaching 2000 additional before and after school sports clubs and lunchtime games Sports Zone CPD for ECTs		

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?		
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?		
What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?		

If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?		
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?
